

# Savings Without Sacrifice

Need to save money on toner cartridges? Don't want to sacrifice quality, reliability, safety or IP compliance? Meet Elevate Imaging™ Supplies by Static Control®.

- **Lexmark-endorsed line of premium aftermarket toner cartridges.**
- **Available for many popular non-Lexmark laser printers and MFPs.**
- **Exceptional products at cost-effective prices.**

## Quality & Reliability

- Elevate Imaging cartridges are built to OEM-like standards at every stage of the product life-cycle—the result is consistent, high quality products that satisfy all global regulatory requirements.
- Backed by a limited lifetime warranty from Static Control.
- Each cartridge is print-tested after production and offers industry-leading quality statistics with an overall defect rate of less than 1%.
- Cartridges are produced in facilities that are ISO 9001:2015 and STMC certified.

## Safety Assurance

- Industry-leading compliance in environment, health and safety for aftermarket cartridges.
- Elevate Imaging cartridges are made from safe, non-toxic materials, including DECAbde-free plastics and environmentally-compliant toners.
- Cartridges comply with key global safety and environmental regulations, including: ROHS, REACH, WEEE, ISO 14001: 2015 and California Prop 65.
- Safety Data Sheets (SDS) are available for each cartridge at [www.elevateimagingcartridges.com](http://www.elevateimagingcartridges.com).

## Respect for Intellectual Property

- Feel confident buying supplies from a manufacturer that respects intellectual property (IP).
- Cartridges are inspected for IP compliance and backed by an extensive patent portfolio.

## Consistent Product Availability

- Static Control's world-class supply chain means you'll have cartridges when and where you need them.
- Elevate Imaging is fast to market with new products—typically 12-18 months before the competition.
- Static Control's vertically-integrated business operations—including chips, EP components and toner—make speed to market a reality.

## Better Value

- The perfect cost-saving alternative to OEM cartridges—save up to 60%.
- Don't be fooled by bargain-brand aftermarket cartridges that may have a lower purchase price—in reality, they aren't the bargain they claim to be.
- Bargain-brand aftermarket cartridges typically do not have the level of environmental and IP diligence found in Elevate Imaging cartridges.
- Why put your office at risk when Elevate Imaging cartridges offer great savings along with the quality, reliability, product safety and IP compliance your business requires?
